ISKRE

Osmišljene kao svojevrsni kompozitorski omnibus, Iskre čine osam kompozicija za klavir koje su do bile svoj pandan u obradi za osam duvačkih instrumenata: flautu, obou, klarinet, saksofon, fagot, hornu, trubu i trombon. Muzička slika je proširena time što uz klavir koji boji atmosferu, svaki duvački instrument izvodi svih osam kompozicija.

Isprepletanost ovakvog izvođenja stvara i kod izvođača i kod slušaoca, zbog slojevitosti unutrašnje kompozicione priče i minijaturnog libreta u vidu haiku poezije, punoću doživljaja i mogućnost raznovrsnog tumačenja.

Kompozicije "Mala romansa" i "Vesele zvezdice" su po svom lepršavom duhu namenjene najmlađim izvođačima, ispunjene radošću i mладаљачким poletom.

"Čaroban dan" nosi u sebi boje i mirise generacije sedamdesetih, spokojsvo dugog leta i francuskog šarma, miris lavande iz Provance.

U "Romansi" ima karpatско panonske duše, slovenske čežnje i romske vatrenosti.

"Zvezdice" dočaravaju toplinu doma, vrednost korena i postojanja.

Naš ritam 7/8 u kompoziciji "Karma" vezao je istok i zapad, dopuštajući da zapadna melodija diše kroz damare našeg kola.

U početnu impresionističku inspiraciju za "Pahulje" umešao se barokni kanon, podsjećajući na neprekinut put od srednjeg veka do danas.

Sazvučje u "Ariji i Igru" je jedinstvo ljudske potrebe za božanskom radošću i iškonskog nagona za igrom, zov predaka kroz starogradske note i kanal utemeljenja.

SPARKS

Created as a kind of composer's omnibus, Sparks consists of eight piano compositions that meet their counterparts in arrangements for eight wind instruments: flute, oboe, clarinet, saxophone, bassoon, horn, trumpet and trombone. The musical portrait is elaborated by the fact that alongside the piano that colors the atmosphere, each wind instrument performs all eight compositions.

Through the layering of the central compositional stories with miniature librettos in the form of haiku poetry, the intertwining of this type of performance creates for both the performer and the listener a rich experience with the possibility of numerous interpretations.

The compositions 'Small Romance' and 'Joyful Stars' are intended for young performers, with their fluttering spirit filled with joy and youthful enthusiasm.

'Enchanted Day' carries within it the colors and scents of the Seventies, the tranquility of long summers and French charm, the scent of lavender from Provence.

Within 'Romance' exist Carpathian Pannonian soul, Slavic longing and Roman fieriness.

'Stars' evokes the warmth of home, the value of roots and belonging.

The 7/8 rhythm in the composition 'Karma' connects the East and the West, letting the Western melody course through the veins of the "kolo" (wheel dance).

The initial impressionist inspiration for 'Snowflakes' is interwoven with a Baroque canon, recalling the ongoing journey from the Middle Ages to the present day.

The harmony in 'Aria and Dance' is the unity of the human need for divine joy and the primal instinct for dance, the call of the ancestors through traditional notes and foundational pathway.
