Osmišljene kao svojevrсни kompozitorski omnibus, Iskre čini osam kompozicija koje su obrađene za četiri gudačka instrumenta: violinu, violu, violončelo i kontrabas. Muzička slika je proširena time što svaki gudački instrument, uz klavir kao podjednako značajan kolorit koji zaokružuje atmosferu, izvodi svih osam kompozicija.

Isprepletanost ovakvog izvodjenja stvara i kod izvodjača i kod slušaoca, zbog raznovrsnosti unutrašnje kompozicione priče i minijaturnog libreta u vidu haiku poezije, punoću doživljaja i mogućnost raznovrsnog tumačenja.

Kompozicije "Pesma čempresa" (The Cypress Song), "Zvezdane perlice" (Snowy Stars) i "Mala romansa" (Small Romance) namenjene su najmlađim izvođačima. Kroz raspevane teme donose različita raspoloženja, dočaravajući slike prirode i bajkovite priče.

"Zora" (Dawn) melanholičnom melodijom daje široke mogućnosti za interpretaciju, istraživanje boja i izražajnosti instrumenta.

"Čudesan dan" (Enchanted Day) nosi u sebi boje i mirise generacije sedamdesetih, spokojstvo dugog leta i šarm francuske Provanse.

"Arija i igra" (Aria and Dance). Raspevana Arija i temperametna igra kontrastnim deonicama otkrivaju iskonsku težnju duše.

"Jesenji valcer" (Autumn Waltz). Sentimentalna melodija kroz ritam 12/8 postaje stilizovana slika valcera koji sinhronizuje raspoloženje i trenutak.

"Introdukcija i Valcer" (Introduction and Valse) podstiče izvođača da pokaže virtuoznost i izražajnost koje čine gudačke instrumente magičnim.

Created as a kind of composer's omnibus, Sparks consists of eight compositions arranged for four string instruments: violin, viola, cello and double bass. The musical portrait is elaborated by the fact that each string instrument performs all eight compositions, alongside the piano as an equally important tone rounding out the atmosphere.

By layering the central compositional stories with miniature librettos in the form of haiku poetry, the intertwining of this type of performance creates for both the performer and the listener a rich experience with possibilities for numerous interpretations.

"The Cypress Song", "Snowy Stars" and "Small Romance" are compositions intended for young performers. They create various moods through lilting themes, evoking images of nature and fairy tales.

With its melancholy melody, "Dawn" offers a broad range of possibilities for interpretation, exploration of shades and instrumental expressiveness.

"Enchanted Day" carries within it the colors and scents of the Seventies, the tranquility of long summers and the charm of Provence.

"Aria and Dance". Through their contrasting parts, the lilting Aria and the temperamental Dance reveal the primal aspirations of the soul.

"Autumn Waltz" is a sentimental melody which, played in 12/8 time, transforms into a stylized image of a waltz, synchronizing mood and moment.

"Introduction and Waltz" encourages the performer to showcase the virtuosity and expressiveness that make string instruments magical.
